

NATIONAL SAFETY COUNCIL

KARNATAKA CHAPTER

Ref. : NSC:KC/CDPD/2023 - 24

Date : 1-11-2023

The Occupier / Manager,

Sub : Chemical Disaster Prevention Day on 4th December 2023

Chemical Disaster Prevention Day is observed every year on 4th December to emphasize the need to produce, store, handle and transport chemicals safely.

The production of chemicals has risen exponentially growing over the years. In the quest to improve the quality of life, the world is increasingly dependent on innovation of chemicals particularly in the field of industrial activity.

It is a known fact that chemicals have the potential of causing untold misery and suffering on mankind due to fires, explosions, toxic releases and spillages.

Therefore, it is apt and necessary to prevent, control, contain and mitigate such effects.

National Safety Council, Karnataka Chapter is bringing out the promotional materials to observe the Chemical Disaster Prevention Day in a befitting manner.

The catalogue of materials and terms and conditions for purchase of materials from our chapter are provided overleaf.

Kindly assess your requirement and place the order at the earliest.
